

MMM SCHOOL OF ECHOCARDIOGRAPHY

52nd ECHO TRAINING PROGRAMME

(15.10.2024 to 17.10.2024)

Institute of Cardio-vascular Diseases

Madras Medical Mission

The Institute of Cardiovascular Diseases, Madras Medical Mission is conducting Echocardiography training programs. This program will help you enhance your professional skills in diagnosis through cardiac imaging. These courses are designed for practitioners who want to improve their skills and become experts are interested to get the nuances of complex Echocardiography. Echocardiography remains the most widely used diagnostic modality in Cardiology.

THIS COURSE IS ONLY FOR INDIAN DOCTORS.

This basic three days program would introduce the basics of Trans-thoracic Echocardiography including scanning techniques M-Mode, 2D Echo, Doppler techniques and an exposure to most currently encountered Cardiac disorders. It will also cover hands on training in adult echo and TEE as well. Our next course is scheduled on April 2025
