

Arrhythmia - Heart Failure Academy

Indian Heart Rhythm Society

Endorsed By

Indian Society of Electrocardiology

The Arrhythmia - Heart Failure Academy, Institute of Cardiovascular Diseases, The Madras Medical Mission periodically organizes Continuing Medical Education program for physicians, cardiologists and medical students including postgraduates in Medicine, Pediatrics, Anesthesia and Critical care as well as for the residents of Cardiology superspecialty.

Basic and Advanced Electrocardiology courses are conducted twice a year. A conference on the updates of latest technology and treatment of Heart Failure and Cardiac Arrhythmia is conducted in the months of August / September every year. Live workshops on Radiofrequency Ablation (RFA) procedures and Heart Failure Device Implantations (AICD, CRT-P and CRT-D) are conducted regularly. The academy offers electrophysiology fellowship for those who have qualified DM / DNB cardiology. Also training programmes for international board of heart rhythm examiners (IBHRE) examination for competency in cardiac electrophysiology as well as cardiac device therapy are conducted every year. The academy also provides training courses for technologists who are involved in electrophysiology studies and radiofrequency ablation procedures and pacemaker follow ups.

15th Annual

Electrocardiology Course

“Basics & Beyond”

(Sunday, 19th August 2018)

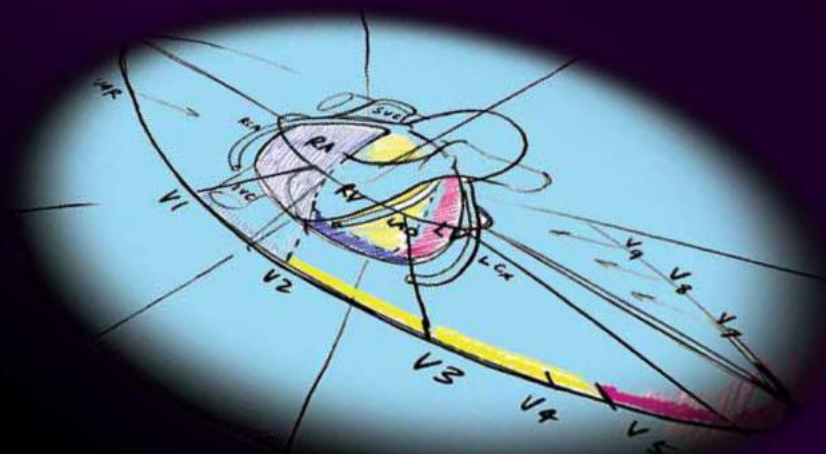

Indian Heart Rhythm Society

Endorsed By

Indian Society of Electrocardiology

Date : 19th August, 2018 (Sunday)

Time : 8.00am onwards

Venue: Zachariah Mar Dionysius Auditorium,

The Madras Medical Mission

4A, Dr. JJ Nagar, Mogappair,

Chennai - 600 037

Dear Sir / Madam,

It gives us great pleasure to invite you to the "15th Annual Electrocardiology Course - Basics & Beyond" to be held on 19th August 2018, organized by the Department of Cardiac Electrophysiology & Pacing, The Madras Medical Mission, under the auspices of Arrhythmia Heart Failure Academy at Zachariah Mar Dyanosius Auditorium, The Madras Medical Mission.

The course is designed to cater to the needs of post graduate students of Medicine, Cardiology, Pediatrics, Anesthesia, Critical Care and practicing physicians.

The faculty comprises of eminent National and International electrophysiologists. Upon completion of this course the participants are expected to make "ECG based diagnosis" of common arrhythmia, coronary syndromes, pacemaker function and structural heart disease – congenital and acquired.

A Certificate for "Competence in ECG Reading" shall be awarded to those who qualify a test at the end of the course. The course is endorsed by Indian Society of Electrocardiology (ISE) and Indian Heart Rhythm Society (IHRS)

The registration is limited to 500 candidates.

Best wishes,

Dr. Ulhas M. Pandurangi

Chief – Cardiac Electrophysiology & Pacing
The Madras Medical Mission

Dr. Mullasari S. Ajit

Director – Cardiology
The Madras Medical Mission

Faculty

Dr. Nitish Badhwar

Professor – Electrophysiology and Pacing
Stanford School of Medicine, USA

Dr. Malini Madhavan

Assistant Professor of Medicine,
Division of Heart Rhythm Services
Department of Cardiovascular Medicine,
Mayo Clinic, USA

Dr. John Roshan

Professor - Cardiac Electrophysiology
CMC, Vellore

Dr. Sivakumar K

Head - Pediatric Cardiology
MMM, Chennai

Dr. Niraj Yadav

Consultant - Cardiology & Electrophysiology,
Zydus Hospital,
Ahmedabad

Dr. Joseph Theodore

Asst. Professor of Cardiology JIPMER,
Puducherry

Dr. Avinash Verma

Senior Consultant – Electrophysiology
PSRI Hospital, New Delhi

Dr. Deepak Padmanabhan

Consultant – Cardiac Electrophysiology
NH Hospital, Bangalore

Dr. P. Shunmuga Sundaram

Consultant – Cardiac Electrophysiology
Velammal Hospital, Madurai

Dr. U. Ilayaraja

Senior Consultant – Cardiology
Billroth Hospitals, Chennai

Dr. Deep Chandh Raja

Associate Consultant Cardiology,
MMM, Chennai

Ms. Anitha Sathishkumar G

Cardiac Physiologist (EP-Pacing)
Royal Brompton and Harefield Hospital,
London

Programme schedule

8.00-AM-9.00AM	Registration
9.00am-9.20am	Normal ECG
	Dr. Ulhas M Pandurangi Chief-Cardiac Electrophysiology and Pacing, MMM, Chennai Low-High-Abnormal Voltage Complexes
09.20am-09.40am	Dr. Deep Chandh Raja Associate Consultant - Cardiology, MMM, Chennai Wide Complex Tachycardia
09.40am-10.00am	Dr. Niraj Yadav Consultant - Cardiology & Electrophysiology, Zydus Hospital, Ahmedabad Narrow Complex Tachycardia
10.00am-10.20am	Dr. Nitish Badhwar Professor – Electrophysiology and Pacing - Stanford School of Medicine, USA.
10.20am-10.40am	Tea Break
10.40am-11.00am	Coronary Artery Disease
	Dr. U. Ilayaraja Senior Consultant - Cardiology, Billroth Hospitals, Chennai ECG Mimics of Coronary Artery Disease
11.00am-11.20am	Dr. Avinash Verma Senior Consultant - Electrophysiology, PSRI Hospital, New Delhi Diagnosis & Management of Congenital Heart Disease : Utility of ECG
11.20am-11.40am	Dr. John Roshan Professor - Cardiac Electrophysiology - CMC, Vellore. Post – Interventional Management of Congenital Heart Disease: Utility of ECG
11.40am-12.00pm	Dr. Sivakumar K Head - Pediatric Cardiology, MMM, Chennai Lunch
12.00pm-12.30pm	Sinus node and A-V Conduction Diseases
12.30pm-12.50pm	Dr. Joseph Theodore Asst. Professor of Cardiology, JIPMER, Puducherry Effect of Drugs and Electrolytes on ECG
12.50pm-01.10pm	Dr. Deepak Padmanabhan Consultant - Cardiac Electrophysiology, NH Hospital, Bangalore ECG Markers of Sudden Cardiac Death
01.10pm-01.30pm	Dr. Nitish Badhwar Professor – Electrophysiology and Pacing - Stanford School of Medicine, USA. Indications for EP Study and Ablation
01.30pm-01.50pm	Dr. Malini Madhavan Assistant Professor of Medicine, Division of Heart Rhythm Services - Department of Cardiovascular Medicine, Mayo Clinic, USA. Pacemaker ECG – Part I
01.50pm-02.10pm	Ms. Anitha Sathish Kumar G Cardiac Physiologist (EP-Pacing) - Royal Brompton and Harefield Hospital, London Pacemaker ECG – Part II
02.10pm-02.30pm	Dr. P. Shunmuga Sundaram Consultant – Cardiac Electrophysiology, Velammal Hospital, Madurai
02.30pm-02.50pm	ECG Quiz
02.50pm-03.10pm	Tea Break
03.10pm-03.55pm	ECG Quiz Discussion
03.55pm-04.30pm	Prize & Certificates

15th Annual

Electrocardiology Course

Basics & Beyond

(Sunday, 19th August 2018)

REGISTRATION FORM

1. Name :
2. Age/ Sex :
3. Institution :
4. Qualification :
5. Residential Address :
6. Telephone/ Mobile Number :
7. E mail :
8. Payment Mode : Cash / DD Only

(DD to be drawn in favor of "The Madras Medical Mission" payable at Chennai)

If payment mode is DD, Please fill in the following

DD Number :

Name of the Bank :

Branch :

Signature of the applicant

Registration Fees

Upto 31st May 2018 : Rs 1000/-

Late Registration : Rs. 2000/-

Spot Registration : Rs. 3000/-
